To export your products to NuOrder follow the steps below.

Prerequisite: You should complete the setup of Categories and Departments prior to exporting your products. if you intend to use these features.

IMPORTANT: Images from AIMS360 will not sync or be sent over to the NuOrder site. You must manually upload your images on the NuOrder site after exporting the products. See NuOrder support for options on batch uploads etc.

1. Launch the NuOrder Export Products module

2.1 Set Department, Category and Year as desired

Make a selection from Category, Department and enter a year if desired. Check the boxes next to each item you want to set, then click on Apply to all to apply the category etc to the selected styles.

NOTE: You may need to do this a few times for various products on the screen if they belong to different categories etc.
